

## University Courses

### *The History of Italian Theatre*

#### ***Duration***

45 hours of lesson given both in English and Italian.

#### ***Prerequisites***

Sufficient understanding of morpho-syntactical structures of the Italian language and a fair level of conversational skills are required.

#### ***Materials***

Students will be provided with reading materials. Audio-visual and multimedia materials will be utilized in the classroom.

#### ***Objectives***

To guide students through the historical development of the Italian theatre. Special attention will be given to the comprehension and use of language specific to the discipline.

Students will be given the opportunity to analyze, interpret and discuss contents and techniques of Italian theatre. Students will be able to study the role of theatre in its social and cultural context. They may produce and perform scenes.

#### ***Methodology***

Lectures as well as interactive group activities will be utilized. Plays in their entirety as well partial sequences will be presented as part of the course. An excursion to a theatrical production may be scheduled.

#### ***Contents***

The course will be divided into 11 units according to the historical chronological sequence. At the end of each unit, an oral test will be given. Furthermore, throughout the course additional quizzes may be given to verify retention of the materials presented. A written final exam will be given at the conclusion of the course. The exam may be in the form of multiple choice, true or false, short answer and essay questions.
