

University Courses

Watercolour Painting

Duration

4 or 6 weeks. 2,5 hours of lesson given both in English and Italian twice a week.

Prerequisites

Particular prerequisites are not necessary.

Materials

Students will be provided with watercolours, brushes, papers, containers, sponges etc...

Objectives

To guide students through the knowledge, understanding and usage of watercolour technique.

Methodology

Students will be guided by the teacher in their personal production along three main lines: colours and their usage; composition; difficult subjects.

Contents

The course will be divided into 3 units. At the end of each unit a practical test will be given.

The final exam will consist of the realization of a personal painting.

Colours	Composition	Difficult subjects
How to dilute colour and paint	How to create a focal point	Portraits
How to avoid spots	Landscape depth	Eyes and mouth
Colour shades	How to balance a composition	Flowers
Colour harmony	Close-ups	Rounded figures
Sunsets	How to fill in human figures	Water reflections
